1 Sandown Cl, Casula

## Cracking good opportunity!

Literally, this is a cracking good opportunity!

R3 Medium Density Zoning with two street frontage.

This home is in a state of disrepair, with significant cracking at numerous locations and needless to say, it would require an expert to rectify the issues.

Call your engineer, call your mates in the building trade and pick their brains; or simply just knock the home down and redevelop the site (stca). Perhaps a duplex style redevelopment or terrace houses (subject to council approval); your call and you decide!

Situated on a corner block with 22 mtr & 17 mtr frontages respectively & all within a very easy stroll of Casula Mall; makes this a 'no brainer'.

On the corner of two quiet cul de sac situations in a quality area!

You would be crackers to miss this cracking good opportunity!

Regrettably with current covid restrictions; inspections will be difficult to arrange for every single prospective buyer / enquiry; and as you can see this property is not for the faint hearted!

Therefore we ask you to provide as much information to us regarding your requirements & your likely budget for this property in any subsequent correspondence with us, in order for us to be able to arrange / escalate a private inspection for you.
